BALL CHAIRS

Ball chairs are in and being used in the classrooms. Some parents are asking if they can order one for their child. Ball chairs are available for order in grades Kinder-5th grade. They are \$35 each and are yours to take with you when you move onto the next class, sell to someone else, or to have at home. The chairs replace traditional chairs in the classroom and help with behavior, attention span and posture. Stop by and order yours today!
